FRAME – Limited Lifetime Warranty

The frame, upholstered in the original fabric under normal use and conditions is warranted to the original purchaser against manufacturing defects for the lifetime of the frame.

SPRINGS – 10 Year Warranty

The springs used in our products are warranted against breakage due to defective material or workmanship for a period of 10 years.

YLUX CUSHIONS – Lifetime Warranty

Younger Furniture utilizes 2.5 density polyurethane foam in conjunction with layers of fiber in the upgraded YLUX cushion. YLUX cushions have a lifetime warranty against the loss of resiliency. Only the foam is covered by warranty.

FEATHER AND DOWN CUSHIONS – 5 Year Warranty

Younger Furniture’s feather and down cushion are made up of a foam core, wrapped in an envelope and filled with a blend of feathers, down, and polyester fiber. Feather and down cushions are warranted against the loss of resiliency. The loss of resiliency should not be confused with a slight softening or flattening of the cushions or the occasional feather migration that will occur with normal use of the product. All feather and down cushions must be “fluffed” and “flipped” on a regular basis to maintain and refresh their shape.

MATTRESS – 5 Year Warranty

Sleeper mattresses are warranted against any defect in material or workmanship for a period of 5 years under normal use and conditions. This warranty is valid only if the mattress is used in the sleeper mechanism and not in or on any other unit.

ALL OTHER PARTS – 1 Year Warranty

All other parts not specifically listed as being warranted are covered under a one year limited warranty against defective material or workmanship. This warranty is limited to repair or replacement of the defective part.

Warranty Limitations

The warranty does not include:

Any defect in upholstery fabrics. There is no warranty of fabric against wearing, fading, or splitting.

Any condition resulting from incorrect or inadequate maintenance, cleaning or care.

Any condition resulting from other than ordinary residential wear or from any use for which the product was designed.

In the event that a defect is found, repair or replacement under this warranty is at the manufacturer’s option. Cost for labor and packaging and shipping from the factory, if it is necessary, are not covered by this warranty.
